Welcome to ISTAR!

Since 1986, ISTAR has been helping children, teens and adults who struggle with stuttering to speak clearly and with confidence. With offices in both Edmonton and Calgary, ISTAR is the only institute of its kind in North America. The information contained in this package will help answer some of your questions and introduce you to our programs. We look forward to working with you!

ISTAR operates as a self-supporting, non-profit organization. Our charitable number is BN 10810 2831 RR0001
ISTAR Application Process

1. Complete the application form and mail, fax or email it to ISTAR Edmonton. The application form contains the contact information.
2. An ISTAR speech-language pathologist will call you to schedule an assessment appointment.
3. At the end of the assessment appointment you will discuss therapy recommendations and options with your clinician.

Frequently Asked Questions

Is it possible for my child to recover without treatment?
It depends. Some children between the ages of 2-5 may have a normal dysfluency and may stop stuttering on their own. Unfortunately, we cannot predict which children will outgrow it and which will not. Stuttering tends to increase in complexity and severity over time. Early intervention is important – we encourage you to contact ISTAR if your child is stuttering regardless of age.

How long do I have to go for speech therapy?
The answer is complex and can only be answered with a speech assessment. Some factors that affect the length of a speech therapy program include age of individual, severity of stutter, readiness for treatment and family support.

Is there funding available to help offset the cost of the assessment or therapy?
There are several options for funding depending on the individual’s age, their province of residence, and the level of financial need. See page 6 for funding options that we are aware of.

Can I apply for funding before the assessment to see if I am eligible?
Most funding agencies require an assessment to be completed before they will review an application for funding. If you are applying for financial assistance, advise your clinician and she will prepare a letter based on the findings of the speech assessment to attach to your application.

Does my work insurance plan cover speech therapy?
Many insurance plans cover a portion of therapy fees. As insurance plans vary in coverage, check with your plan administrator to determine the type and extent of coverage. Fees are paid to ISTAR and then you apply for reimbursement from your insurance company. We provide a detailed statement to attach to your payment receipt.

Do I need a doctor’s referral?
A referral is not required, you can contact ISTAR directly. If you want to claim speech therapy fees as a tax deduction for medical expenses, a letter from your family doctor is needed to attach to your taxes.

How can I help my child who stutters?
Your child’s speech-language pathologist will have specific suggestions for you. It may be helpful to:
- reduce competition for speaking time and encourage turn taking
- slow your own speaking rate
- maintain eye contact and be a good listener when your child is speaking
What if I can’t come to ISTAR for an assessment?
An in-clinic assessment is preferable because it provides the most information. When this is not possible, it may be possible to arrange a long distance assessment. Individuals not residing in Alberta should speak with ISTAR about your specific needs as there are several provinces that have regulatory restrictions.

Can I schedule an appointment and then complete the application form?
Your assessment appointment will be booked after we have received a completed application form.

Can I get speech therapy without an assessment?
An assessment is a critical part of the therapy process, as it helps us determine the type of therapy that would best suit your needs. We base therapy recommendations and treatment plans on our observations and findings.

Is there a waiting list?
You can typically expect to schedule an assessment appointment within two months of receipt of the completed application form. Speech therapy is then scheduled to fit around your schedule and that of the clinician’s. During peak periods, there may be a longer waiting time depending upon existing client load.

Do I send my application form to Calgary or Edmonton?
Application forms are sent to the Edmonton office; we will then determine what office will take the application.

Can I speak with a speech-language pathologist (SLP)?
Certainly! There are SLPs at both the Edmonton and Calgary offices. Contact the Edmonton office and we will arrange for someone to return your call and discuss your specific questions and concerns.
Fee Schedule – Effective September 1, 2017

### Assessment

<table>
<thead>
<tr>
<th>Service</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>ISTAR all ages</td>
<td>$300</td>

**Intensive Clinic**

<table>
<thead>
<tr>
<th>Age Range</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Adult/Teen (12+), 3 weeks</td>
<td>$4,750.00**</td>
</tr>
<tr>
<td>Children (7 - 11), 3 weeks</td>
<td>$3,425.00**</td>
</tr>
</tbody>
</table>

* Adult/teen clinics include 90 hours of direct therapy plus two family meetings, manual and handouts, final treatment report and a small maintenance credit.

** Child clinics include 18 hours of individual therapy, 16 hours of group therapy, plus a series of family meetings, a teasing and bullying workshop, workbooks and handouts, and final treatment report. In this specific program, the first 2 weeks of individual therapy may be done any time during the year in Edmonton or Calgary.

### Maintenance Therapy

Maintenance is a critical part of therapy. Patients who complete an intensive clinic (or the equivalent amount of extended therapy) and pay the full fee are also given a small maintenance credit to be used within two years. Individual maintenance therapy is also available, billed at the current hourly rate.

### Speech Therapy as a Tax Deduction

Private speech therapy is tax deductible as a medical expense. A medical referral is needed. Keep your invoices and receipts as evidence of payment. Consult your tax adviser.

### Disability Tax Credit (DTC) for People who Stutter

In certain circumstances, the Canada Customs and Revenue Agency, recognizes stuttering as a disability entitling people to apply for a tax credit of $7,196 (2010). Individuals wanting to apply are charged a fee from ISTAR to complete the form (billed at the hourly rate). Information and the T2201 form can be downloaded from their website: http://www.cra-arc.gc.ca/E/pbg/tf/t2201/README.html - Revenue Canada Form T2201.
Policy on Fee Payment and Deposits

ISTAR relies on clinic fees and donations to cover provision of treatment services. ISTAR accepts cheques (on approval), money order, debit, Visa, American Express, and MasterCard for fee payments. Wire transfers are available for international clients.

ISTAR is a not-for-profit institute in the Faculty of Rehabilitation Medicine at the University of Alberta. With the support of community partnerships, we strive to provide the best possible speech and language therapy to people of all ages. We are not government funded. Our fees are set at a level that allows us to recover our costs and provide accessible and quality treatment. As such, we charge an hourly rate for speech and language services. These services include: face to face time with your speech-language pathologist, preparation and analysis of your case, report and IPP writing, caregiver training, team meetings, phone/email discussions with other professionals, and travel (including kilometers).

At ISTAR, our clients are our number one priority. As a result of our widely recognized excellence in speech-language pathology, appointments at ISTAR/CIP are in very high demand. If you cannot attend your appointment, please cancel it as soon as possible so that we can offer your session time to another client waiting for services. In order to book another client, we require a minimum of 2 business days notice prior to your scheduled appointment time. You can contact us by email at istar@ualberta.ca or by phone 780-492-2619 (Edmonton) and 403-201-7285 (Calgary).

Not cancelling your appointment or cancelling your appointment without sufficient notice prevents us from helping others who are waiting for our services. Missed appointments or late cancellations will be charged at 50% of the appointment fee.

Please note that missed appointment and late cancellation fees are your responsibility. Third party funders (e.g., private insurance, ICAP Fund, Bergeron Fund, or Elks and Royal Purple Fund for Children) will not cover missed appointments or late cancellation fees.

Individual Intensive or Group Intensive Programs

Deposit: $500 to reserve a place in an intensive clinic or individual intensive program. The deposit will be deducted from the treatment fee.

Payment: Due one month before the first day of therapy.

Cancellation: Six weeks before therapy begins: deposit refunded. Less than six weeks before therapy begins: deposit is forfeited, plus 25% of the full clinic fee is billed. Third party funders are not responsible for the cancellation fee; the cancellation fee is payable by the individual.

Late or missed sessions during an intensive:

Intensive and group programs are designed to build fluency skills within a set schedule. If you are late for or miss sessions, this will adversely affect your progress and alternate times may not be available. Please notify your clinician as soon as possible if you will be late or miss a session. This notice will allow us to make the necessary adjustments to your therapy program. Therapy sessions may be discontinued and alternative arrangements made for your treatment should your clinician deem this necessary. Session fees may still apply due to the significant time that has been reserved for you.
Upcoming group clinics, in Edmonton unless otherwise indicated (2018 clinic dates to be announced)

January 16-27, 2017 (Adult – 2 weeks plus 10 hours prior to intensive)
March 28-31, 2017 (Children aged 7-13)
June 5-23, 2017 (Adult 3 week)
July 3-21, 2017 (Teen 3 week)
July 17-20, 2017 (Children aged 7-13 in CALGARY)
August 15-18, 2017 (Children aged 7-13)

Individual or Small Group Sessions

Payment: On day of service.

Cancellation: 2 business days in advance: no charge
Less than 2 business days advance notice: client billed 50% of fee. Third party funders are not responsible for the cancellation fee; the cancellation fee is payable by the individual.

Notes: The above cancellation policies will not apply where medical reasons, emergency or accident make attendance impossible. If this is the case, please telephone us as soon as possible. Charges for missed appointments often cannot be submitted for health insurance reimbursement or to third-party funders.

Opportunities for Financial Support

Fees for speech therapy at ISTAR are not covered by Alberta Health Care. However, other financial opportunities may be available as listed below.

Private Group Insurance
Many insurance plans cover portions of speech therapy fees. Check with your plan administrator to determine the type and amount of coverage you have. NOTE: Fees are paid to ISTAR and then you apply for reimbursement from your insurance company.

The Elks and Royal Purple Fund for Children
The Elks and Royal Purple Fund for Children may provide financial assistance for children under 19 with limited financial resources. Applications for funding will be accepted by this organization after the speech assessment is completed. Contact ISTAR or your local Elks or Royal Purple Lodge for more details.

Government
Social Services has covered fees for some low-income families. Contact your regional office of Social Services if you think you may qualify. Family Support for Children with Disabilities has helped some Alberta children with costs associated with fees, travel, meals and lodging. Health and Welfare Canada may pay for First Nations Children of pre-school age. Alberta Human Resources and Employment / Disability Related Employment Supports Program may fund adults who are having difficulty finding employment.
Funding for Students with Disabilities
Students at post-secondary institutions may be eligible for special funding for speech therapy. Please check with your institution’s office for Students with Disabilities.

British Columbia Government
The Provincial Voice Care Resource Program (PVCRP) administers a program supporting intensive treatment for British Columbian adults (age 19 and older) who stutter. This program was initiated in 1995 by the British Columbia Ministry of Health, and is in memoriam to the late Fred Gingell, former MLA, Delta-South. The program commences in April and will reimburse up to 12 participants annually for tuition expenses incurred to attend an approved intensive stuttering treatment program, upon successful completion of the program. Contact Dr. Linda Rammage at 604-875-4204  http://pvcrp.com/  
More details at http://pvcrp.com/stuttering_treatment_financial_assistance_program.php

British Columbia Association of People Who Stutter (BCAPS)
BCAPS is a self-help group that may offer funding for BC adults (19+) attending stuttering treatment at ISTAR. Please call 604-469-1282 for the chapter nearest you.

The ICAP Fund (ISTAR Client Assistance Program)
The ICAP Fund may cover up to 90% of therapy, depending on the financial need of the client. This fund does not cover travel or accommodations. Application forms can be obtained by contacting ISTAR. Note that the ICAP Fund can only be used when all other avenues of funding have been exhausted.

Other Sources
Clients have had their employer, school or school board (under Early Childhood Services funding) pay part or all of the fees. Some clients have applied successfully to local service clubs such as the Lions, ACT and Rotary Clubs. Financing is available through Medicard; they offer monthly payments, no down payment and quick turnaround (call ISTAR for details).
ISTAR Staff

**Anwar Haq, MSc, PhD, MBA**
*Executive Director*
Dr. Haq brings over fifteen years of experience within higher education and healthcare setting that has involved research, research facilitation, HR, financial, operational, and strategic planning and management, and practice on the design, implementation and evaluation of innovation policies.

Currently, Dr. Haq is an Executive member of the Canadian College for Healthcare Leaders (CCHL– SAC), member of the Canadian Association for Management Consultants (CAMC), and National Business Innovation Association, USA (NBIA). Through NBIA, he has also completed his certification in Incubator Management. Dr. Haq is an active community volunteer for science outreach, community engagement-focused organizations, Not-for-profit fund raising and social marketing. Currently he is also an elected Senator at the University of Calgary Senate where he had served on various committees.

In his own words, he has a deep passion for the opportunities and innovative policies that impact the social well-being and health of Canadians. Stuttering and communications have a special place in his heart as one of his sons is a special needs child with speech impediments.

**Holly Lomheim, MSLP**
*Clinical Director and Speech-Language Pathologist*
Holly Lomheim joined the Institute for Stuttering Treatment and Research in 1994 and has worked in the roles of clinician, Adult Clinic and Training Coordinator, Clinical Director and Acting Executive Director.

Her clinical interests include: providing effective adult and teen stuttering therapy, training Speech-Language Pathology students and clinicians in fluency treatment programs, delivering accent reduction treatment and running effective communication workshops.She has presented to students and fellow Speech-Language Pathologists at several conferences and workshops including: the American Speech and Hearing Association, the Canadian Stuttering Association Conference, the Oxford Dysfluency Conference and the International Fluency Association Conference. She has also participated in several research studies and has had her work published in Speech –Language Pathology journals and text books.

In 2008, she received the award for Clinical Excellence presented by the Alberta Rehabilitation Coordinating Council. She is trained in the Comprehensive Stuttering Program, the Lidcombe Stuttering Treatment, Parent Child Interaction Therapy, Solution Focused Brief Therapy and with the Speech Easy ® device.

**Elizabeth Haynes, MA; Shea Thompsen, MS-SLP; Jessica Harasym O’Byrne, MSLP; Jacqueline Quittenbaum, MHSc; Kate Farr, Msc.SLP, Heidi Williston, MSc.R.SLP**
*Speech-Language Pathologists*
With over 55 years of collective experience, Elizabeth, Shea, Jessica, Jacqueline, Heidi and Kate have special expertise in the treatment of stuttering and bring a committed, personal approach to their work. All have attained a Master’s degree in Speech-Language Pathology and completed extensive training in the Comprehensive Stuttering Program as well as other treatment approaches such as Lidcombe, Camperdown and The Hanen Program. All are committed to keeping abreast of the latest research and techniques in their field, and demonstrate a profound concern for their clients’ well being and a determination to offer the best possible therapy available.

*Note: Elizabeth works in the Calgary office.*

Accomodation Options

All accommodation options are subject to fee increases without notice. This list is for informational purposes only and is provided as a service to help our clients find a suitable place to stay during their visit to Edmonton. ISTAR does not have a special deal with any of the properties on this list. Please do not contact ISTAR if the rates have increased or if there are problems with booking your accommodation at a specific hotel. To receive these University of Alberta rates, indicate that you are taking a course at “ISTAR at the University of Alberta” when making the reservation.

Intensive Speech Clinics - It has been found beneficial for clients to stay together and away from home for at least the first two weeks while attending the clinic. In a new environment they can free themselves of lifelong influences and establish new behaviour patterns more easily. A sense of group solidarity is fostered and clients can help one another when lodging together.

Edmonton

1. University of Alberta - Student Rooms (May to August only) and Guest Rooms (year round)

The Centre includes a cafeteria and 24-hour front desk service. It is a 10-minute walk from the Institute. Please note that student rooms have shared bathrooms and common areas. The guest rooms include continental breakfast, daily housekeeping, private washrooms, high speed internet, free local phone calls and parking. There are laundry facilities but no kitchen facilities. Minimum age of guests is 18, unless accompanied by a parent or guardian. Bedding and towels are supplied. Room rates include GST and hotel tax. (Summer rates from May to August may differ from those below.)

15. Other Accommodation Options

Other accommodation options (including campgrounds, bed and breakfasts and private homes for rent) can be found at the following website: www.discoveredmonton.com/Edmonton/WheretoStay.
**Calgary**

1. **River Wynde B&B and River Lee B&B**

Within walking distance of our Calgary office, these are two separate properties from the same owners. Located on a quiet residential street, in the heart of a trendy shopping district and accessible by transit and with plenty of parking available. Your stay includes full breakfast, free local calls, fitness center passes, wireless internet, and access to bicycle loaners. Some rooms feature an office area, fireplace, or private entrance.

To receive 10% good neighbor discount (off daily rates – discount already in weekly rates) indicate you are taking a course at ISTAR nearby. Weekly rates are “stay for seven, pay for six”.
